

CompliMed Code E-learning Courses 2016

ASPIRING FINAL SIGNATORIES: For aspiring medical or non-medical signatories.					
An accredited and experiential programme that aims to improve Code knowledge and other essential signatory skills. Experience suggests a modern signatory is competent and constructive, impacting positively in a cross-functional team.					
Format:	Baseline assessment of 50 randomised multiple-choice questions, approximately 1-2 hours to complete and can be completed in stages. Series of 10 modules (1-2 hours each) with experiential learning and associated homework (monitored by internal or CompliMed mentors). Final assessment (oral viva) with internal examiners assessing signatory knowledge, instinct, judgement and decision-making.				
Content:	<table border="1" style="width: 100%; border-collapse: collapse;"> <tr> <td style="width: 50%; background-color: #f2f2f2;"> Baseline assessment covers all areas of the current Code. Training modules cover: <ol style="list-style-type: none"> 1. Scope of the Code 2. Promotional activities/materials 3. Non-promotional activities/materials 4. Meetings 5. Field activities 6. Patients and patient organisations 7. Communications & Public Relations 8. MEGS, Joint working and Disclosure 9. Digital Communications 10. Certification Standards. </td> <td style="width: 50%; background-color: #f2f2f2;"> Oral viva covers: <ol style="list-style-type: none"> 1. Knowledge: of Code requirements 2. Instinct: review of journal advertisements 3. Judgement: discussion of theoretical scenario 4. Decision-making: assessment of actual PMCPA case </td> </tr> <tr> <td colspan="2" style="background-color: #f2f2f2;"> Homework (and mentoring) covers: Code, PMCPA guidance, case reports, job bag review, scrutiny, scenarios and creating checklists. </td> </tr> </table>	Baseline assessment covers all areas of the current Code. Training modules cover: <ol style="list-style-type: none"> 1. Scope of the Code 2. Promotional activities/materials 3. Non-promotional activities/materials 4. Meetings 5. Field activities 6.
